**Criteria for Promotion of Laboratory Technicians in ITBP**

*246. SHRI SURYABHAN PATIL VAHADANE: Will the Minister of HOME AFFAIRS be pleased to state:

(a) what are the criteria fixed for promotion of Laboratory Technicians working in ITBP;

(b) whether it is a fact that despite working for more than fifteen years, they have not been promoted in the next pay scale or grade; and

(c) if so, what action Government propose to take in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI CHENNAMANENI VIDYA SAGAR **RAO):** (a) The posts of Laboratory Technicians in ITBP are isolated posts. The Government orders/instructions on promotional avenues in respect of isolated posts are applicable to these posts also;

(b) and (c) There are 24 persons working as Laboratory Technicians in ITBP. Out of these, 13 persons have completed more than 15 years service.

Based on recommendations of the 5th Central Pay Commission, Government has formulated a scheme in August, 1999 for Assured Career Progression for Group B, C and D and isolated posts in Group A, B, C and D categories to mitigate hardships in cases of acute stagnation in the cadre or in an isolated post. As per this scheme. ITBP Lab Technicians who have completed 12 years in the posts of Laboratory Technician would be considered for financial upgradation to the next standard/common higher scale. The ITBP has been directed to hold the Screening Committee meeting to consider the cases of the Lab Technicians who have completed 12 years of service for financial upgradation under the ACP scheme. Since the scheme is to be effective w.e.f, the date of issue of Government orders by Deptt. of Personnel and Training i.e. 9.8.1999, financial upgradation of the eligible Lab Technician will be effective from that date or the date when incumbent completes 12 years service whichever is later. As such these Lab Technicians will not be facing any financial loss.
